Imagine you can step into one of these nocturnal paintings. Are you on a city street, or alone in nature? What sounds do you hear? Make up a story about your experience.

CAN YOU FIND EXAMPLES OF ART AFTER DARK?

**AT MINT MUSEUM UPTOWN** Locate a **daytime** scene nearby. How would this scene change at night?

**AT HOME** Try **sketching** a night scene! Go outside after dark to draw, or just turn out the lights inside and draw what you see.
