

Karlene Dahlman earned her Bachelor of Arts in Architecture from Clemson University in May 2024, following her summa cum laude graduation with an Associate of Applied Science in Architecture from Anne Arundel Community College in 2021. She is an architectural designer at Apogee Consulting Group, where she contributes to design development and project delivery. Recognized for her academic and creative excellence, Karlene received the AIA Chesapeake Bay Citation Award for Excellence in Design in 2020 and served as President of the AIAS chapter at Anne Arundel. Skilled in Revit, Rhino, Lumion, and Adobe Creative Suite, she brings technical proficiency and a thoughtful approach to her work.
